Summer Reading Assignment for Students Entering 4th Grade

Dear Parents,

As the school year comes to an end, we know that you are making plans for your child's summer vacation activities. When children read what they enjoy, they learn to love reading and become better readers. Good literature, whether fiction or nonfiction, encourages children to read. The better they read, the more they learn, and the more curious they become. Books are a powerful force in the lives of our children.

SUMMER READING BOOK for Incoming 4th Grade:

"THE CRICKET IN TIMES SQUARE" by George Selden

** All students are required to complete a book project which is due on the first day of school and will be counted as their first Reading grade.

Students can pick a project from the following list:

1. Comic Book Page - Create a comic book page with bubble style conversations showing an incident from the story.
2. Create a song/poem - Write a song or a poem about the main idea of the story.
3. Collage - Draw pictures or cut them out and write descriptive words to your collage.
4. Puppet - Create a character puppet of one of the characters.
5. DVD Cover - design a DVD cover using a scene from the story.
6. Advertising Flyer - Create an advertisement flyer to publicize and sell your book.
